

Tips & Strategies For An Eco/Energy - Conscious Home Buyer/Seller

**Thursday, October 30, 2008
6:15 – 7:30 p.m.
Progressive Field
2401 Ontario Street, Cleveland**

**Join Green Energy Ohio this month as the Cleveland Indians host
our October network meeting at Progressive Field.**

On the program...

**Certified EcoBrokers and Realtors, Carolyn Bentley from Howard
Hanna & Trisha Brown from ReMax Crossroads**

- **Getting ready to buy your next home and want to consider green features like energy efficiency, green construction and home health?**
- **Planning on selling a home with green improvements? Where do you find and how do you market your current home to the green buyer?**
- **What questions should you ask your agent and the seller's agent?**
- **If you are considering building new, what options may be available from the builder?**
- **What are the advantages of becoming a certified Ecobroker and how do you go about doing that?**

The event is FREE and open to the public.
