

# Ohio Wind Power Conference

*Wind Power in Ohio - It's Real, It's Here, It's Working, Let's Make More*

November 9 & 10, 2004

Sheraton Cleveland City Centre  
Cleveland, Ohio

Presented By:

Ohio Wind Working Group

## Who Should Attend?

- Developers
- Manufacturers
- Businesses
- Utilities
- Federal, state and local governments
- Farmers
- Engineers
- Builders
- Nonprofits
- Facility Managers
- Homeowners
- Architects

Learn the economic, manufacturing, and technological opportunities for commercial, community and small wind development in Ohio.

## Topics:

- **Bowling Green Wind Farm:** status report and next steps on Ohio's first commercial utility-scale wind farm
- **Economic Development:** market growth for Ohio's manufacturing industries
- **Financing Renewable Energy Projects**
- **Ohio Wind Resource Assessment:** review the wind monitoring projects conducted in Lake Erie and at several 100 meter sites across Ohio.
- **Ohio Wind Resource Maps:** review the wind resource for commercial and small wind development based on maps developed by AWS Truewind at 50, 75, & 100 meters
- **Ohio Community Wind Development:** Tools and information to value your wind resource, maximize local economic benefits, and overcome barriers for community wind energy projects.
- **Small Wind Development:** information and resources for home and business owners
